Obtaining Warranty Performance: If Purchaser discovers a defect in any of the Products covered under this Limited Warranty during the applicable warranty period, Purchaser must, within thirty (30) days from the discovery of the alleged defect, but no later than the end of the applicable warranty period, notify Manufacturer. Purchaser may notify Manufacturer of a warranty claim using TimberTech’s online warranty claim form process available at <https://www.timbertech.com/about-warranties/warranty-support/>. Alternatively, Purchaser may submit a warranty claim by contacting the Manufacturer in writing at the following address:

TimberTech
894 Prairie Avenue
Wilmington, Ohio 45177
Attn: Claims Department

Purchaser must include in this notification proof of purchase and a statement explaining the defect. Manufacturer may request additional information. After reviewing all information, Manufacturer will make a determination regarding the validity of such claim. If Manufacturer determines Purchaser’s claim is valid, Manufacturer will, at its option, either replace the defective Products or refund the portion of the purchase price paid by Purchaser for such defective Products (not including the cost of its initial installation). Replacement material will be provided that is as close as possible in color, design, and quality as the replaced material, but Manufacturer does not guarantee an exact match as colors and design may change. In the event of repair or replacement, the original warranty shall apply to the repaired or replaced portion of the Products and will extend for the balance of the warranty period in effect at the time the material proved defective.

If a Residential Purchaser makes a valid warranty claim during years eleven (11) through twenty-five (25) or thirty (30) (as applicable) after the original purchase date, then the Residential Purchaser’s recovery will be prorated as indicated below. If Manufacturer is providing replacement materials, it may elect to replace the percentage listed below of Products; if Manufacturer is refunding the purchase price, it may elect to refund the percentage listed below of the purchase price of the Products.
